TOURISTS SEASON BREAKS ALL RECORDS

War Shuts Them Out of Europe and They Take a Look at America

Chicago, Sept. 20.—Americans are seeing America first and the western tourist season now drawing to a close, has broken all records.

"The many millions spent yearly in traveling in European countries, are being spent right here in our America," said L. M. Allen, passenger and traffic manager of the Rock Island railway.

"The tourist travel throughout the west is heavier than at any time in our history."

"The building of new roads in the Rockies is drawing the traveling public to see the beauty of their own country this year. The people of this country will in the future travel through the United States more than foreign countries."

Owing to the infantile paralysis, the eastern roads have not benefited by the America first as much as the western lines, according to officials of the Baltimore and Ohio and the New York Central.

The great Chicago gateways have been jammed for days with returning tourists and at times the crush has been so great that baggage transfers have been delayed.

Chicago railway officials said that figures would not be available until November, but they would show the greatest tourist movement in the history of the nation, not excepting the San Francisco exposition movement.

Authorize Survey of Capital Highway

The state highway commission at a meeting yesterday authorized State Engineer Lewis to expend not more than \$1,500 of the state highway funds as the state's share of the survey of the Capital highway between Independence and Corvallis. H. Hirschberger, of Independence, stated to the commission that he would be responsible for enough additional funds to complete the survey. Engineer Lewis was also given authority to expend \$3,000 remaining from the Glendale portion of the Pacific highway on that highway in Josephine county. Another meeting of the commission will be held September 28.

IF BACK HURTS USE SALTS FOR KIDNEYS

Eat Less Meat If Kidneys Feel Like Lead or Bladder Bothers—Meat Forms Uric Acid

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine.

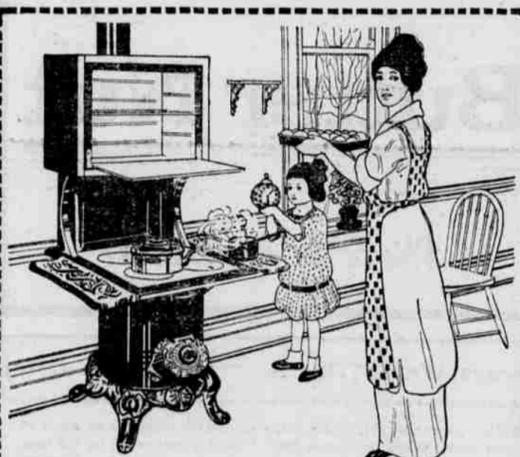

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

"ANURIC" The Latest Discovery in Medicine.

Why Suffer From Backache, Lumbago, Rheumatism? It is now asserted with confidence that these painful effects due to uric acid in the system are entirely eradicated. A remedy called "ANURIC" has been discovered by Dr. Pierce in his hospital practice, which he believes is thirty-seven times more potent than lithia, and is the cause of a drainage outward of the uric acid with which it comes in contact within the body. It will ward off backache, headache, and the darting pains and aches of articular or muscular rheumatism—of those diseases which are caused by too much uric acid, such as gout, asthma, sciatica, or sore, stiff, aching joints. When the kidneys are weak or diseased, these natural filters do not cleanse the blood sufficiently, and the body. There follow depression, aches and pains, heaviness, drowsiness, irritability.
